-Can be used for eco-friendly agriculture, animal farming and fish farming.

Alternative pesticide & alternative antibiotic

-Non-toxic and non irritating for multicellular animals and plants.
-Innocuous to human body.

Alternative Disinfectant

-Silver (Ag+) is non toxic and resist harmful influence.

Introduction of ARGEN

Products for general use and for domestic use

Product information

Product name	ARGEN SH-100 ARGEN SH-70
Rated voltage	220V/50-60Hz
Electricity Consumption	70w
Silver (Ag)	Purity -99.9974%

Introduction of ARGEN

Product for agricultural use, animal farming and industrial use

Product information

Product name	ARGEN LK-1000 ARGEN LH-1000 ARGEN LK-600 ARGEN LH-600
Rated voltage	220V/50-60Hz
Electricity Consumption	400w
Silver (Ag)	Purity -99.9974%

STRONG NATURAL ANTIBACTERIAL EFFECT

The lasting antibacterial effect

Non-toxic, non-irritating, Safe and harmless to human

Colorless, Odorless

Does not cause environmental problems

Use of ARGEN Products

Strong natural, antibacterial effect

Washing

Pets

Laundry

Shower Bath

Flower, plants

Wash up

Cleaning fruits and vegetables
